Snap-Off Blade Knife

PRODUCT INFORMATION

You'll be able to tackle most general-purpose cutting tasks with this utility knife from Kendo. The knife delivers tough, long-lasting cutting performance and whenever the blade becomes dull, simply snap-off the end to reveal a fresh, new razor-sharp cutting edge ready for the next project.

- 18mm blade width
- Soft-grip, anti-slip handle
- Quick-change blade cartridge
- Not sold to anyone under the age of 18
